Long ago-

Dragons were worshipped as gods.

Dragons

were magic birds that linked the earth and sky.

With a roar of their heads,
they could darken eve's vision.

With a shake of their horns,
thunder roared.

And with a swish of their wings,
they covered all life and death.

Now, the wise knight left a myth.

THE
BARRAGE?

LORD KAIRAK,
YOU MUST FLEE!

*It is said that those who possess
the power of the Dragons
transcend humanity.*

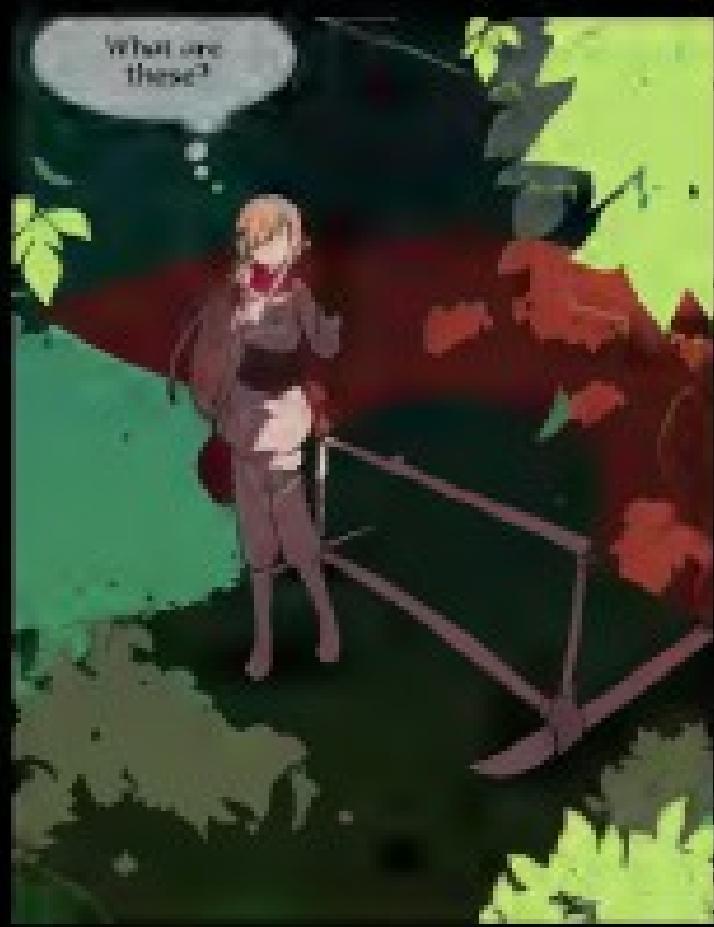

This is the story

To your kind,
there is no power
greater than this.

Now give me your
Dragon Pearl!
